### Instructions to Reviewers:

**1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.**

**The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.**

**Time for Completion of Review:**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

1. The "de" condition problem and the 100% of 15 months from the date of the child's arrival in the U.S. (1974) were delayed the implementation of an initial assessment. The assessment was a 15-18 month language scale (1978) and must be further administered as soon as possible, but not later than 24 months from the date of arrival to the residence. The assessment will be repeated for non-compliance 6 months after the child's birth or 90 days after the move. Data collected will be used to assess a 24-month language scale by the UNICEF. The data will be used to assess the child's language skills and to help the child's language skills.
